

DO NOT ALTER THESE TAX FORMS

By law, taxes are due *based on filings with the Surplus Line Association of Illinois*. The numbers on this tax form reflect those filings. **DO NOT CHANGE THESE NUMBERS** without first contacting the Association. Your check **must** match the amount preprinted on this form. The Department of Insurance (DOI) has indicated electronic signatures on the statements are acceptable.

FAILURE TO FILE RESULTS IN FINES

Even if no tax is due, a **fine of up to \$500** will be assessed for failure to file or late filing. Fines are even higher if tax is owed. Statements **cannot be emailed** to the DOI. When sending in your tax forms and payments, it is advisable to use a service that will provide proof of mailing and proof of delivery. Keep proof of mailing in your file since online proof is usually deleted after a few months.
